## Spring 2017

### Junior Golf Lessons with Steve Walker

Now celebrating our 28<sup>th</sup> anniversary, Westlake Golf Course will offer a Spring program for juniors. All classes emphasize fun in addition to learning rules and etiquette with an experienced professional coach. Feedback from former students indicates that these classes have made a positive impact on their lives in many ways.

A message from Steve:

Reflecting on the last 27 years, I'm reminded of how blessed I have been to have had the opportunity to assist so many juniors on their golf quest. Golf is unique in that it demands patience, dedication, hard work and a sense of humor. We respect golf by learning proper etiquette, following the rules, keeping accurate scores and by being kind and compassionate with our fellow players. These lessons help us not only with our golf quest, but with our life quest as well. Bring your clubs, a smile and join us! – Coach Steve

All Fall and Spring Juniors will receive an application for the Westlake Junior Golf Summer Program.

"A fun learning environment, combining practice and skills challenges with an experienced professional coach"

This class has developed into my favorite class. It is the surest way for a junior to lower their score. Covers all aspects of the short game: Putting, chipping, pitching and sand play. We focus on one each week, team against team. Followed by the grand finale: an Olympic style individual competition. For most golfers, their short game is a liability, this class provides juniors with a lifelong asset.
