Fall 2017

Junior Golf Lessons with Steve Walker

For the 28th year, Westlake Golf Course will offer a Fall program for juniors. All classes emphasize fun in addition to learning rules and etiquette with an experienced professional coach. Feedback from former students indicates that these classes have made a positive impact on their lives in many ways.

INTRODUCING:

A Rewards Program that continues week to week in all classes. Ending in Prize Party with Putting Contest and Prize Raffle!

How the reward program works. Throughout the program juniors will earn tickets for assorted milestones and contests. They will turn their tickets in at the end of the program. At the Prize Party we will do a raffle drawing from these tickets. Juniors do not need to be present to win. Many exciting prizes will be awarded. Free rounds of golf, free range balls, golf balls and more!

Party date January 6 2pm-3:30. Please bring your putters to compete for reward points. 5 rewards points for each class enrollment. Added bonus, Instant Winners will be randomly inserted in Tool Kits the first week of each session.

NEW: Golf Tool Kit contains Rules and Etiquette book, divot repair tool, golf balls, ball marker and tees.
