

# Westlake Junior Golf Academy

## Fall 2016

### Junior Golf Lessons with Steve Walker

**For the 27th year, Westlake Golf Course will offer a Fall program for juniors. All classes emphasize fun in addition to learning rules and etiquette with an experienced professional coach. Feedback from former students indicates that these classes have made a positive impact on their lives in many ways.**

Dear Juniors,

*I want you to know the longer I do this, the more I realize what an opportunity is given to me. The honor to help you on your golf quest. I think you will find many things that help you in golf, will help you in life, as well. Patience, hard work and competitive spirit will take you a long way in both. Equally important will be development of social skills, character development and a true appreciation of honesty. So many times we strap that bag over our shoulder and think we are just playing a game. After a while, we realize golf is more more than a game. So, come join us for some real fun. Yes golf is a lot of fun, all the other stuff will help you in many ways later.*

Coach Steve

**Sign up for any two classes  
and receive 20% off the  
total price for both classes.  
Single junior only.  
Expires Sept. 23rd, 2016**

We expect classes will be overfilled, requiring a lottery. Please list three picks for classes.

**Course Class: \$190 Ages 7-17**

Class will begin with a weekly "pow-wow" to discuss individual and team objectives. This will be followed by a warm up session. We will then head off to the course for relaxed team play. Once on the course, we will play a scramble format which balances different levels of players. Course management, strategy, alignment and many other important "on course" aspects of the game will be covered. Specific rule and etiquette discussions will be offered as situations present themselves.

The final week will be an individual skills competition.

Current members are given 1st priority until Sept.7th. If necessary, the remaining spots will be filled by a lottery. In case of rain, call (818) 889-0770 after 1:00 p.m.

All classes are subject to change due to weather conditions.

Canceled classes will be made up at the end of Session II. You will be notified the date and time by email.

Mail or deliver check, payable to:  
Westlake Golf Course

4812 Lakeview Cyn. Rd.

Westlake Village, CA. 91361

Feel free to contact us anytime at  
[stevewalkergolf@gmail.com](mailto:stevewalkergolf@gmail.com)

Special offer for Juniors:

Optional range card for \$35 includes  
10 Large or 20 Small buckets  
\$100 Value (Max 2 per junior)

**Learn for Life: \$150 Ages 7-17**

This class is designed to build a fundamentally sound golf swing that lasts a lifetime. All aspects of the game will be covered. Starting with proper instruction and supervision is a key that unlocks a lifetime of passion for the game of golf. This class is for beginner and intermediate players. Classes will be conducted on the driving range and the short game practice areas. New to the game? Currently playing, but need help in a specific area? Want to hit it straighter and further? This class is for you. Putting, chipping, pitching and the mechanics of a proper golf swing, will all be included in this comprehensive class. The final week will be an individual skills competition.
